# Hints on How to Destroy the Fucking Lamp

Those of you who had trouble playing this game, read the story below. Read carefully; it has lots of useless hints.

*Zonk and his lamp lived alone in a small house on a hill. Zonk kept to himself, drawing pictures and playing with his yoyo as his lamp gently lit up his house. Life was simple, and they were both happy.*

*That was, until the day Zonk's lamp heard a voice from above: "I've come to make an announcement: Zonk's a bitch-ass motherfucker, he broke my fucking flower pots! That's right, he took his furry-fuckin' blue yoyo out and he threw it on my fucking pots, and he said his yoyo was "THIS BIG," and I said "don't you dare touch my rupees," so I'm making a callout post on my Twitter.com, and GUESS WHAT? He ratio'd me." "I will do my best to kill him" Zonk's lamp replied, lighting its sakurais.*

*Zonk, watching through a crack in the door, trembled in fear. Scrambling around his room to find a hiding place, he noticed a trapdoor to the basement, hidden under his rug. Without hesitation, he flung open the hatch just as his lamp burst through his door and threw himself down into the unknown depth below.*

*Two years later, as suddenly as he left, Zonk returned. He never told anyone where he had been or what he had done. But, he began to seek vengeance, and went in search of his lamp.*

*Unfortunately, it was too late. His small house has become a mysterious dungeon, filled with hideous creatures and controlled by a strange force.*

*Will he be able to reclaim his beloved home, or will he perish during this tremendous attempt ?*
